

Mrs. Gail Miller

Chief of Product Development for Humana Cares / Senior Bridge,
Humana, Inc.

Gail Miller oversees Product Development for the newly formed care management arm of Humana, Inc., formed with the merging of Humana Cares and Senior Bridge. Previously, she served eight years as the Vice President of Strategy and Product Development for the Senior Markets at Humana, Inc. During her tenure, Humana has expanded their senior presence from a local focus to a national focus, entering the PFFS, PPO and Part D Prescription Drug plan lines. Humana is now at the forefront of the “aging in place space” to help older Americans age gracefully at home.

Prior to joining Humana, she was the Vice President of New Products of Colonial Penn Life Insurance Co. a company concentrating their focus on the 50+ market. She came to that position from being Vice President of Account Services at Harte-Hankes, the largest direct response company in the United States. Gail currently serves on the Florida Medicare Quality Assurance Strategic Council, as well as the Managed Care Council for the National Association of Palliative and Hospice Care. She is also a member of the Women Business Leaders of the U.S. Health Care Industry Foundation. She has also served a three year term on the Board of Directors for the Meals on Wheels Association of America.
