

## **Mrs. Ivette Ortiz, MHA**

Health Services Administrator

President- Elect

Puerto Rico College of Health Services Administrators

Ivette Ortiz is a well-known and respected leader within the Health Services Community in Puerto Rico. A truly dedicated healthcare professional, Ivette combines extensive experience as a Health Services Administrator with a highly specialized skill set focused on the Health Insurance Industry.

With over 25 years of experience, Ivette worked as a Market Leader for Cigna Health Care in Puerto Rico and USVI, Vice President at Triple S Salud and currently is Vice President of Contracting and Provider Services for the MSO of Puerto Rico, Inc. She is President Elect of the Puerto Rico College of Health Services Administrators.

Ivette has a Master Degree in Health Services Administration from the University of Puerto Rico and several designations from The Health Insurance Association of America.
