## Challenges in Puerto Rico's Healthcare System

Lower salaries  
compared to  
other States

Working  
conditions

Limited  
innovation

Puerto Rico's  
fiscal crisis

Cost of living  
compared to  
other States

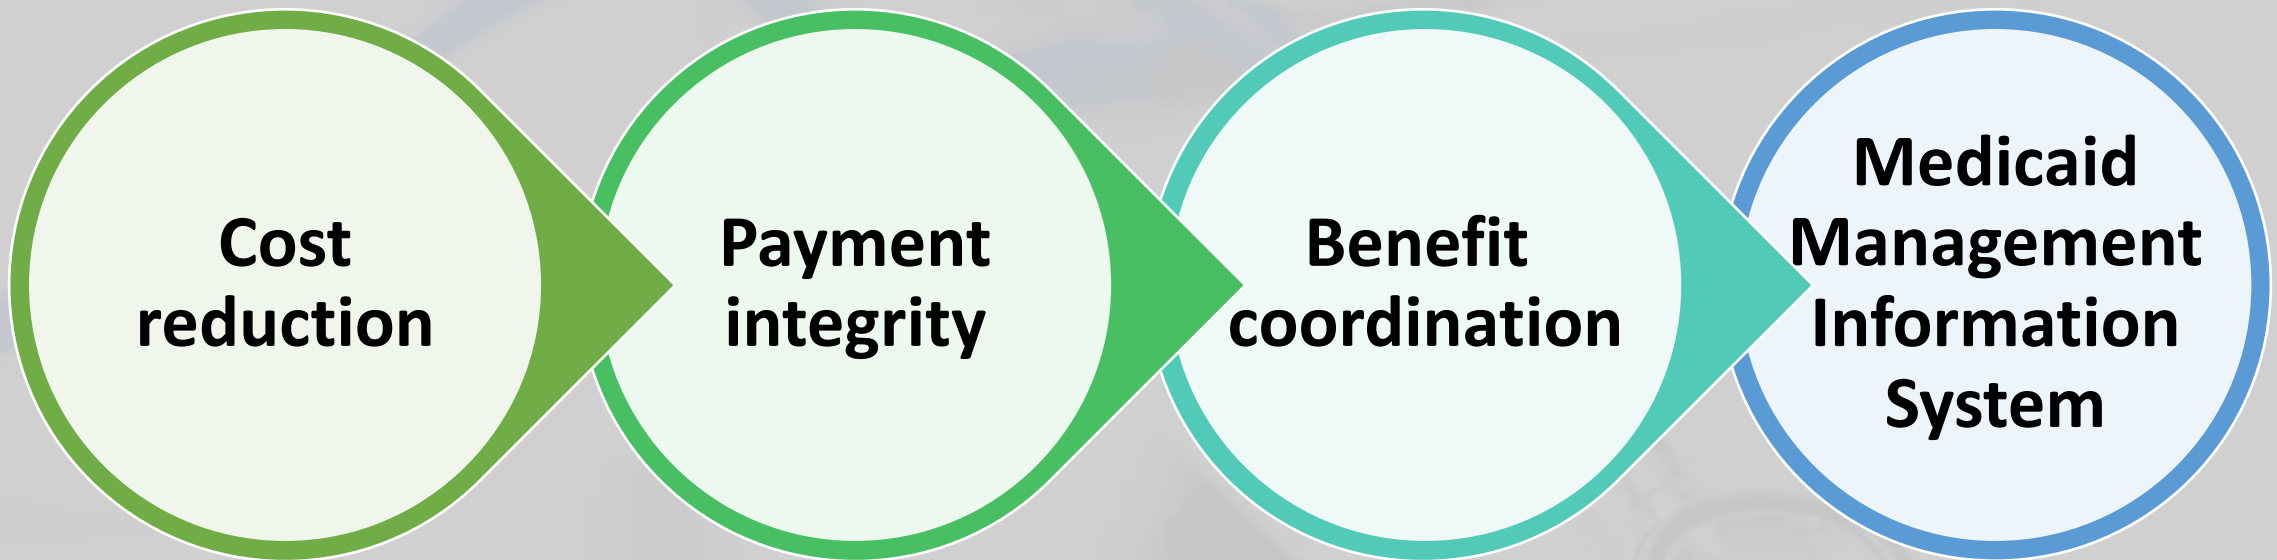

## Challenges in Puerto Rico's Healthcare System

High hospitalization and emergency visit rates per thousand

Increase in prescribed medicines

Increase in specialized prescriptions

## Our Initiatives

## Increase in reimbursements Rates

- Reduce the Physician and Provider Exodus
- Invest in Hospital Infrastructure

## Provide Coverage of Hepatitis-C Drugs

Approximately  
**14,000** Puerto Ricans  
are eligible for treatment and  
could be cured by making these  
drugs available to them.

## Provide Medicare Part B Premium Coverage for Dual Eligibles

There are approximately **282,000** Medicaid and Medicare eligible in Puerto Rico that pay the Medicare Part B premium out-of-pocket.

## Puerto Rico Poverty Level Adjustment

Puerto Rico has the authority to modify the Puerto Rico poverty level (PRPL) on which income requirements for Medicaid is based.
