

Back to Business with Rep. Blake Moore (UT-01)

In our latest [Back to Business](#) event, Neil Bradley joined Derek Miller, President and CEO of the Salt Lake Chamber, in a conversation with Rep. Blake Moore (R-UT).

Key takeaways from Rep. Moore:

- **Rise above:** “We are in a world with an enormous amount of tension and folks have to be willing to rise above a lot of the tension and rhetoric to find a way to get something done.”
- **Productivity over partisanship:** “I would just hope that my constituents can look back in two years and say he lived up to what he said he was going to do and he has been a productive member of congress. That is one thing I have been pushing for a long time is productivity over partisanship. There is a lot that we agree on that gets marked down in the political games that get played and I want to be viewed as someone that can cut through that, relieve some of that tension, and find a way to be able to implement good policy.”
