

## Join Us Next Week for the Global Forum on Economic Recovery

Join us on **May 18-19, 2021**, for the Chamber's first annual [Global Forum on Economic Recovery](#).

**Why it matters:** Investing in U.S. competitiveness and working with our international allies and partners will be critical to building a better and more inclusive future—creating healthier communities, supporting entrepreneurship, and expanding access to innovative technologies.

**Top thought leaders** from [business and government](#) will celebrate the power of the business community to solve today's pressing global challenges.
