

## PUERTO RICO CONFERENCE 2012 | Revitalizing Innovation

**Mr. Aurelio Alemán**  
President & CEO  
FirstBank Puerto Rico

Aurelio Alemán was appointed CEO of First BanCorp in October 2009 after acting as Chief Operating Officer for the prior four years.

Under Alemán's leadership, FirstBank has continued its successful path retaining leading positions in client satisfaction, auto financing, retail banking, corporate financing and commercial banking.

His guidance was instrumental in the institution's recapitalization process, which has been described by the local press as the most important transaction in Puerto Rico's banking industry during 2011.

His career of more than 30 years in the finance sector includes diverse positions in the business administration, sales, credit and risk, banking operations, and technology areas in institutions such as Citibank and Chase Manhattan Bank.

Aurelio Alemán graduated from the University of Puerto Rico, where he obtained a bachelor's degree in Business Administration.

He was elected president of the Puerto Rico Bank's Association in July 2011.
